GOOGLE’S UNOPPOSED MOTION TO EXCEED PAGE LIMIT

Defendant Google Inc. seeks leave of the Court to exceed the page limit in its Expedited Motion To Compel Discovery by three pages. At the October 9, 2014 hearing, both parties agreed to brief all discovery disputes in an expedited manner. The number of issues that Google seeks to address in its Expedited Motion To Compel Discovery as well as the parties’ agreement to brief all disputes at once necessitate a brief of eighteen pages in length. Further, the Court granted leave to Plaintiffs to exceed the fifteen page limit by three pages for its Expedited Motion To Compel Discovery From Google. (Dkt. 239.) Google respectfully requests that this Court grant leave to exceed the fifteen page limit by three pages. Rockstar does not oppose this request.
